PLEASE NOTE:

- Application rates have been increased due to the increase in supplier's cost per litre.
- It is the responsibility of the resident to mark with stakes the start and stop points.
- Distance of stakes will be measured prior to application to ensure correct distance is applied.
- **Only the distance that has been paid for in feet will be applied. NO EXCEPTIONS.**
- Prepayment is required.
- Be aware the application is not as effective in dry or sandy conditions and the results will be less satisfactory.
- The Municipality will make its best effort to preserve the application, however it reserves the right to grade roads if maintenance is necessary.
- **Return Form and payment by April 1st 2024.**
